POSTGRADUATE REPRESENTATIVE ASSOCIATION (SUPRA) HELD ON WEDNESDAY 12th
APRIL 2006 AT 5.30 PM AT THE SUPRA OFFICES**

Present: Attendance sheet attached (27 members)

Apologies: Kirsten Harley, Xue Yang Li, Zhen Yi Li, Jun Zhao

The President (Jenny Leong) assumed the chair.

1. President's Report

Motion: THAT the President's Report be accepted. Moved Jack Clegg, seconded Kate Barnsley. Carried.

2. Updates from Office Bearers

Women's Officer. Reminder that the Women's Network meeting is on Thursday 13th April at 5.00 pm at the SUPRA offices. The Women's Officer would like to talk to mothers on campus about childcare.

Director of Publications. Deadline for copy for the next edition of express was 14th April – if anyone has difficulty with that, please talk to the Director of Publications.

3. Constitutional Amendments for approval by the University Senate

The President explained that the proposed constitutional changes would allow new electoral regulations, whereby an election of a new Council could be either held at an AGM, by secret postal ballot or by electronic voting. This will make elections more open and accountable, and is in line with practices in other student organizations. There are also proposed changes relating to the Financial Management Policy to keep the constitution in line with Council's policy, particularly regarding cheque signatories and authorisation. Further amendments can be proposed for the Annual General Meeting. It was also explained that the constitutional amendments proposed are only a recommendation to the University Senate, which has to approve them before they can come into effect.

Draft motions, as under, had been advertised throughout the university, and these were considered by the meeting.

Motion: 1. Replace s6.1-s6.5 of the SUPRA constitution with the following:

6.1 There shall be a Council which shall have power, subject to the powers of a General Meeting, to determine and interpret policy and to take action in accordance with the aims of the Association.

6.2 (a) The Council shall consist of twenty five Councillors, of whom twenty one shall be General Councillors, and four shall be Equity Officer Councillors.

(b) The election of the 21 General Councillors shall be conducted each year in May in such a manner as the Council may prescribe, subject to this Constitution, by an Electoral Officer appointed by the Council. The Electoral Officer shall be suitably qualified by experience to conduct elections. The Electoral Officer will not be a member of SUPRA. The electoral process shall always be completed prior to, or at the Annual General Meeting. At least fourteen clear days' notice of the close of nominations shall be given by publication of a notice of election which shall be posted at and around the University and advertised in at least one publication within the University. In addition, the President shall request that the University circulate such notice via email to all members of the Association.

(c) The General Councillors shall be elected by SUPRA members voting as one electorate under the system of proportional representation set out in Schedule 1 of this Constitution, with reference to 6.3 below, which should be applied after the ballot count has been concluded according to Schedule 1.

The four Equity Officer Councillors shall be elected from members of the Association. The election shall be conducted each year in May in such a manner as the Council may prescribe, subject to this Constitution. The Equity Officer Councillors shall be:

- (f) No person shall be eligible for election as a Councillor or office-bearer who is not at the time of his or her election a member of the Association.

6.3 (a) Eight General Councillor positions shall be reserved for females.

(b) Three General Councillor positions shall be reserved for coursework students and three positions shall be reserved for research students.

(c) In the event that there are fewer nominations tendered under the provisions in 6.3 (a)-(b) from females, coursework students and research students than positions reserved for those groups, the nominees shall be declared elected and the reserved positions remain vacant until nominations are received for the positions under section 6.18.

(d) Council acknowledges the value of as diverse a representation of the postgraduate student body as possible amongst its membership. Efforts will be undertaken to advertise Council vacancies widely and to target students in equity designated groups.

(e) No member may hold more than one of the 25 Councillor positions referred to in 6.2(a). If a member is elected as both a General Councillor and one of the Equity Officer Councillors, they shall be designated as the relevant Equity Officer Councillor and their General Councillor position shall become vacant.

6.4 The Councillors-elect shall meet at least seven days after the Annual General Meeting and the elections for the Equity Officer Councillors and no later than the second week of June in the same year as they were elected, for the purposes of appointing Councillors to the Standing Committees and electing the following office-bearers for the new term:

- (i) President
- (ii) Vice-President
- (iii) Treasurer
- (iv) Secretary
- (v) Any other office-bearers as the Council may determine appropriate from time to time.

(c) In the event that a ballot is required, such a ballot shall be secret and the votes shall be counted by a Returning Officer appointed by the meeting. The Returning Officer may not be a candidate for any ballot prescribed under this section of the Constitution. Councillors shall be entitled to appoint a scrutineer to observe the conduct of any such ballot in which they may be a candidate, save that no scrutineer may be simultaneously a candidate in the ballot for which they have been appointed.

6.5 The convenor of the first meeting of Council referred to in 6.4 of this Constitution shall be the Electoral Officer or their nominee, who shall not be eligible to vote, and who shall hand over the chair and the convenorship of the Meeting to the new President upon election to that office as prescribed in 6.4 of this Constitution.

This includes a motion circulated at the meeting to include the sentences “The Electoral Officer shall be suitably qualified by experience to conduct elections. The Electoral Officer will not be a member of SUPRA.” in s.6.2 (b) in the advertised notice of motions. Moved Rosemary Whitecross, seconded Roozbeh Araghi. Carried.

Motion 2: In ss.6.6, 6.15, 6.17 and 6.19 of the SUPRA constitution, replace “6.4 (a)-(d)” with “6.4 (i)-(v)”.

Moved: Roozbeh Araghi, seconded Katherine Barnsley. Carried.

Motion 3. Amend s.6.18 of the SUPRA constitution to read:

6.18 In the event that a position on Council is not filled, or a casual vacancy arises, and subject to 6.3(a) and (b) of this Constitution:

(a) vacancies may be filled from among those members of the Association present at a General Meeting for whom written nominations bearing their signature and student identification number, as well as those of the nominator and seconder, are lodged with the Returning Officer if present, or else the Secretary, prior to the close of nominations from the floor. If there is an excess of nominations from the floor for those vacancies, the vacancies shall be filled by election at the General Meeting, in accordance with Schedule 1; or

(c) Councillors appointed under 6.18(a) or (b) hold office until the thirtieth day of June subsequent to their election.

Moved: Roozbeh Araghi, seconded Katherine Barnsley. Carried.

Motion 4. Insert into the SUPRA Constitution:

Schedule 1

PROPORTIONAL REPRESENTATION WITH THE SINGLE TRANSFERABLE VOTE METHOD OF COUNTING VOTES WHERE MORE THAN ONE POSITION IS TO BE FILLED:

1. The number of first choices recorded for each candidate shall be counted.

2. The aggregate number of such first choices shall be divided by one more than the number of candidates required to be elected and the quotient increased by one, disregarding any remainder, shall be the quota, and (except as hereinafter provided in Rule No. 9) no candidate shall be elected until he or she obtains a number of votes equal to or greater than the quota.

3. Any candidate who has, upon the first choices being counted, a number of such votes equal to or greater than the quota shall be declared elected.

4. Where the number of such votes obtained by anyone candidate is equal to the quota, the proportion of votes in excess of the quota shall be transferred to the other candidates not yet declared elected, next in order of the voters' preferences, in the following manner:-

(a) All the voting papers on which a first choice is recorded for the elected candidate shall be re-examined, and the number of second choices, or third or next consecutive choices recorded for each unelected candidate thereon shall be counted.

(b) The surplus of the elected candidate shall be divided by the total number of votes obtained by him or her on the counting of the first choice and the resulting fraction shall be the transfer value.

(c) The number of second or other choices ascertained in Rule 1., to be recorded for each unelected candidate, shall be multiplied by the transfer value.

(d) The resulting number shall be credited to each unelected candidate, and added to the number of votes obtained by her or him on the counting of the first choices.

5. (a) Where, on the counting of the first choices, or on any transfer, more than one candidate has a surplus, the largest surplus shall be first dealt with. If then, more than one candidate has a surplus, the then largest surplus shall be first dealt with, and so on; provided that, if one candidate has obtained a surplus at a count or transfer previous to that at which another candidate obtains a surplus, the surplus of the former shall be first dealt with.

(b) Where two or more surpluses are equal, the surplus of the candidate who was the highest on the poll at the count or transfer which they last had an unequal number of votes shall be first dealt with, and if they have had an equal number of votes at all preceding counts or transfers, the Returning Officer shall decide by lot which candidate's surplus shall be first dealt with.

6. (a) Where the number of votes obtained by a candidate is raised up to, or above, the quota by a transfer as aforesaid, he or she shall thereupon be declared elected; and in such case, notwithstanding the fact that he may have reached the quota, such transfer shall be completed, and all the votes to which he is entitled there from shall be transferred to her or him, but no votes of any other candidate shall be transferred to her or him.

(b) Where the number of votes obtained by a candidate is raised up to, but no above, the quota by a transfer as aforesaid, the whole of the voting papers on which such votes are recorded shall be set aside as finally dealt with.

(c) Where the number of votes obtained by a candidate is raised above the quota by a transfer as aforesaid, his or her surplus shall be transferred to the candidates next in order of the voters' respective preferences, in the following manner:-

(i) The voting papers on which are recorded the votes obtained by the elected candidate in the last transfer shall be re-examined, and the number of third or, in the case provided for in Rule 11, next consecutive choices recorded for each unelected candidate thereon counted.

(ii) The surplus of the elected candidate shall be divided by the total number of voting papers mentioned in paragraph (i) and the resulting fraction shall be the transfer value.

(iii) The number of second, or other, choices, ascertained in paragraph (i) to be recorded for each unelected candidate shall be multiplied by the last mentioned transfer value.

(iv) The resulting number shall be credited to each unelected candidate, and added to the number of votes previously obtained by her or him.

7. (a) Where, after the first choices have been counted, and all surpluses (if any) have been transferred as herein before directed, no candidate or less than the number of candidates required to be elected, has or have obtained the quota, the candidate who is the lowest on the pool shall be excluded, and all votes obtained by her or him shall be transferred to the candidates next in the order of the voters' respective preferences, in the same manner as is directed in Rule 5.

(b) The votes obtained by such excluded candidate as first choices shall be first transferred, the transfer value of each vote in this case being 1.

(c) The other votes of such excluded candidates shall then be dealt with in the order of the transfers in which, and at the transfer value at which he or she obtained them.

(d) Each of the transfers which takes place under the two previous clauses of this Rule shall be deemed for all purposes to be a separate transfer.

8. (a) Where the number of votes obtained by a candidate is raised up to or above the quota by any such transfer as aforesaid, he or she shall thereupon be declared as elected; and in such case, notwithstanding the fact that he or she may have reached the quota, such transfer shall be completed, and all the votes to which he or she is entitled therefrom be transferred to him or her, but no other votes shall be transferred to her or him.

(b) Where the number of votes obtained by a candidate is raised up to, but not above, the quota, by any such transfer as aforesaid, the whole of the voting papers on which such votes are recorded shall be set aside as finally dealt with.

(c) Where the number of votes obtained by a candidate is raised above the quota by any such transfer as aforesaid, his or her surplus shall be transferred to the candidate next in the order of the voters' respective preferences in the same manner as directed in Rule 6, Clause (c); provided that such surplus shall not be dealt with until all the votes of the excluded candidates have been transferred.

(d) Where any surplus exists, it shall be dealt with before any other candidate is excluded.

9. The same process of excluding the candidate lowest on the poll and transferring to other candidates her or his votes, shall be repeated until all the candidates, except the number required to be elected, have been excluded, and the un-excluded candidates who have not already been so declared, shall then be declared elected.

10. Where at any time it becomes necessary to exclude a candidate and two or more candidates have the same number of votes and are lowest on the poll, then whichever of such candidates was lowest on the poll at the last count or transfer at which they had an unequal number of votes shall be first excluded, and if they have had an equal number of votes at all preceding counts or transfers, the Returning Officer shall decide which candidate shall be first excluded.

11. In determining what candidate is next in the order of the voters' preferences, any candidates who have been declared elected shall not be considered, and the order of the voters' preferences shall be determined as if the names of such candidates had not been on the voting paper.

12. Votes shall be counted to the nearest hundredth part of a vote only, and transfer value calculated to the third decimal place only.

Motion 5. Replace s5.5 of the SUPRA constitution with:

5.5 The President shall initially Chair all General Meetings until the meeting can appoint a Chair. In the absence of the President, the meeting shall appoint a Chair. In a General Meeting, the Chair can be replaced by a general vote.
